ENGINEERING DEPARTMENT.

WATER-SUPPLY DIVISION.

Notice.

It is hereby notified for information of the public that about 270 matured jali trees within the boundary line behind the bund of Bethamangala tank will be sold by public auction on Saturday the 6th November 1920, at 3 P.M.

2. The sale will be conducted by the Sub-Assistant Engineer at Bethamangala Pumping Station, who will reserve to himself the right of keeping back the trees if a proper bid is not forthcoming.

3. No bid by any person will be recognised unless he has deposited with the Sub-Assistant Engineer, conducting the sale a sum of Rs. 200 either in cash or in currency notes. The deposits of unsuccessful bidders will be returned immediately after the sale.

4. The right of felling down and removing the trees will be disposed of to the highest bidders subject to the confirmation of the sale by the Executive Engineer, Water-Supply Division; who reserves to himself the right of accepting or rejecting the highest or any other bid without assigning any reason whatever.

5. If the sale is not confirmed by the Executive Engineer, Water-Supply Division, Bangalore, the amount paid will be refunded to the party.

6. The successful bidder shall pay 25 per cent of the sale amount immediately the bid is knocked down to him. If he fails to do so, the trees will be resold at once at his risk and he will be liable for any loss that may result to Government by such resale, but will not participate in any profit that may result from such sale.

7. The accepted bidder shall pay up the balance of the sale amount within a week from the date on which the confirmation of the sale is intimated to him, failing which the deposit of 25 per cent of the sale amount will be forfeited to Government.

8. The purchaser shall not fell the trees other than those that are marked in red on the trunk of the trees. Felling of the trees should commence only after the full amount of the sale is paid up and a receipt obtained therefor with permission to commence felling.

9. He shall remove the trees from the contour limit of the tank before the end of December 1920.
